-
- Brass swing arm with stainless steel spring.
- Supplied with stainless steel fasteners.
- Finished in bright chrome plate for easy cleaning and added durability.
- Hoses, handpieces and inlet connections are not included with this item but can be purchased separately.

To Specify

The ClevaCare® healthcare range has been chosen to provide safe and reliable showering for both able bodied persons and persons with disabilities. When considering the shower cubicle options in care facilities or bathrooms, provisions for assistance must be considered where someone is incapable of performing the cleaning task unaided.

Code:

CLEVA010 - CP-BS ClevaCare® Shower Arm (Less Hoses and Handpiece).

- Headwork: N/A
- Working Pressure Range (kPa): N/A
- Working Temperature Range (°C): N/A
- Nominal Flow Rate (LPM): N/A
- Construction: Brass
- Finish: Chrome

Maintenance & Cleaning

Galvin Engineering products should be cleaned with a soft damp cloth using only mild liquid detergent or soap and water. Do not use cleaning agents containing a corrosive acid, scouring agent or solvents. Do not use cream cleaners, as they are abrasive. Use of unsuitable cleaning agents may damage the surface. Any damage caused in this way will not be covered by warranty.

Regular maintenance should be carried out in accordance with the installation and troubleshooting guides provided with the product, relevant Australian Standards, local authorities and state codes.

As part of maintaining a safe and reliable plumbing system, we recommend tapware and valves are operated on at least a daily basis.

Warranty

Galvin Engineering products are covered under our Manufacturer's Warranty at www.galvinengineering.com.au. Galvin Engineering products must be installed in accordance with the installation instructions and in accordance with AS3500 and the PCA, relevant Australian Standards and local authorities applicable to product being installed. Water and electrical supply conditions must also comply to the applicable national and/or state standards, failing to comply with these provisions may void the product warranty and affect performance of the product.

Whilst all reasonable care has been taken in compiling the information in this document, the designs, dimensions and products shown are indicative only and should not be relied upon without our prior approval. Due to our policy of continuous development, we reserve the right to alter any details of specifications or products without notice. All information, drawings, technical specifications and product designs remains the property of Galvin Engineering Pty Ltd.
